Of Utmost Importance: The Gospel

Christ's unique entry into this world, His gruesome crucifixion, and His miraculous resurrection leave us no choice but to respond to Him. Either we deny that He came or we believe. Either we look and turn away from His death or we look on it in repentance and turn to Him. Either we reject the belief that Christ rose from the dead or we embrace it. Your eternity hangs in the balance, based on your response.

To aid you in your consideration of the gospel, we offer a link: www.matthiasmedia.com.au/2wtl/ to a multimedia presentation of this message from Matthias Media entitled Two Ways to Live.

It is our hope that this presentation answers your questions about God and His claim on your life. Are you a repentant believer in Jesus? Or are you a dispassionate witness to a crime your own sin helped commit: Remember, your soul will live forever. Are you ready for eternity?
